

## Foundry Pavilion

### ▶ All about casting - Product solutions in Aluminium

The Foundry Pavilion offers your industry an attractive presentation platform at ALUMINIUM 2012. The fair is the world's biggest meeting point of the aluminium industry with more than **950 exhibitors from around 50 countries** and **25.000 visitors from 100 countries**. Here you meet every 2 years your target group out of all application areas like **Automotive & Transport • Building & Construction • Plant & Machinery**. The Foundry Pavilion is a representative joint stand and is centrally located in **hall 10** in midstream of the visitors. This hall **focuses especially on the foundry and heat treatment segment**.

### ▶ Pavilion space

Island stand with more than **700 sqm for around 30 exhibitors** with a joint catering area and a central information counter with a hostess and personal care by the organiser.

### ▶ Product offer

Sand-, mould- and die castings • moulds and accessories • alloys • after treatment of castings • transportation and manipulation • complete solutions • casting technologies

### ▶ Participation possibilities
